5. Price

5.1 The Quotation is automatically revoked 30 days after it is issued, and the price specified in the Quotation ("**Quotation Price**") is then subject to withdrawal alteration or change without notice.

5.2 We reserve the right at any time before the delivery of the Goods to increase the Quotation Price to reflect any increase in the cost to us due to any factor beyond our control, (including without limitation changes in taxation laws, significant increase in the costs of labour, materials, or other costs of manufacture), any change in delivery dates, quantities or specifications for the Goods requested by you, or any delay caused by your failure to give us adequate information or instructions.

5.3 If a goods and services tax is imposed by law then, in respect of the price payable by you pursuant to this Agreement which is treated as payment of a taxable supply for the purposes of a goods and services tax or like impost, we shall be responsible for paying any goods and services tax to the government, but shall be permitted to increase the price to include the demonstrable direct added cost to the Goods or services we supply to you in the price charged to you for the Goods. Such varied price will upon written notice to you be deemed to be the price for the purposes of the Agreement.
